Are you up for a fun and exciting NEW challenge?
We are looking for 10 teams to go head-to-head in our inaugural ***Accumulator Challenge*** to help raise vital funds for the RGS Foundation's Changing Lives Campaign.

You have 15 days to beg, steal (not literally please!) and borrow your way to making the most amount of profit from a £50 investment courtesy of '*Drive like a Real Entrepreneur*', plus each team will receive a free copy.

With just £50, each team will have to fundraise, auction, invest, run and organise their way to the biggest profit. The sky is the limit, providing it's safe, ethical and legal. Whether you are a whizz at organising events, or invest the money into products to sell and re-invest, or even if you are in the stockbroking game, we challenge your team to raise as much as you can from a £50 investment to become the Accumulator Champions!

What counts towards your final total?
Money (cash, cheques, shares, online donations including gift aid), physical gifts (calculating their RRP) and gifts in kind donated to the RGS Foundation.

The challenge will start at 12 noon Tuesday 19 April 2016 and all fundraising must stop by 12 noon Wednesday 4 May 2016. To help you along your way, we will provide each team with a fundraising pack as well as help and support during the 15 days.

Prizes
First place winners • Second place runners up • Most innovative fundraising idea
